Dear Mr. Gottling:

The Division has reviewed your submission of the amended boundaries of the Barneys Canyon Mine. The changes as submitted, are acceptable to the Division. The map will be placed in the file reflecting the new disturbance boundary of the mine.

Thank you for taking the time to inform the Division of the changes before the map, noting these changes, was filed with our office.

If you have any further questions or inquiries you can contact me at 538-5382.

Sincerely,

Doug Jensen  
Senior Reclamation Specialist
